

THE GREEN STANDARD OF HAND DRYERS

RUN FROM JUST £7 PER YEAR*

LOW SOUND OUTPUT

PROVEN RELIABILITY

SAVE ££££'S VS PAPER TOWELS**

LONG LIFESPAN

UK SUPPORT

Setting the bar for hand dryer efficiency, the new ECO range includes our Quantum hand dryer, which, costing just £6 per year to run, is the most energy efficient hand dryer available worldwide.

It offers a 96% reduction in the annual outlay for electricity when compared to a standard dryer, meaning not only lower running costs, but a drastic reduction in energy consumption.

The Quazar and Quest models also offer a superior energy efficient solution as well as giving additional options of features such as dry speed, sound output, ADA compliancy and a choice of designs and colours that will suit any washroom.

THE ECO RANGE FROM AIRDRI

The world's most efficient hand dryer, running on just 200 watts, giving an annual running cost of just £7 per year. Life expectancy tested to 10,000 hours.

Our quietest eco hand dryer with one of the lowest noise outputs in the entire range. It runs on 1,000 watts giving an annual running cost of £50 per year.

Our popular Quest model has been upgraded with a new, more efficient and energy saving motor. Running at 955 watts gives an annual running cost of £41 per year.

QUANTUM

| | |
|-------------------------------|-------------------------|
| Dry speed | 10-12 seconds |
| Noise level | 85 dBA |
| ADA compliant | Yes |
| Colour options | Brushed stainless steel |
| Nominal output KW @ 230V | 0.2KW |
| Annual running cost* | £7 |
| Savings versus paper towels** | £2,913 |

QUAZAR

| | |
|-------------------------------|-----------------------|
| Dry speed | 17 seconds |
| Noise level | 70 dBA |
| ADA compliant | Yes |
| Colour options | White, black & chrome |
| Nominal output KW @ 230V | 1KW |
| Annual running cost* | £50 |
| Savings versus paper towels** | £2,870 |
