Shadow Blue *furniture set*

CLASSY AND STYLISH

Navy blue, even though quintessentially classy, it has its renaissance in the interior design trends. Grey colour and wood elements emphasize the hue of blue and give the interior exceptional character.

Rose & Ginger *furniture set*

WARM AND CALMING

A unique composition of light and warm colours which will enhance the interior of your dome.

Pink & Plum *furniture set*

MODERN AND COSY

Bold yet extraordinary composition of rose, plum and different shades of grey. Follow the basic interior design tips to arrange a modern and cosy dome space.

Moss Green *furniture set*

GLAMOROUS AND UNIQUE

Set for connoisseurs of glamour interior design. Brave combination of moss green and navy blue will make your dome feel like a luxury hotel space.

The most popular FDomes size if you want to create a designer hotel-like suite. A real feel of luxury and comfort.

FDomes **Glamping50**

A space giving vast possibilities for the interior design. Our idea? The furniture set which will help you to easily create a welcoming interior with a bedroom, a living room and a dining room.
