

GORDON CASTLE
SCOTLAND

BOTANICAL GIN

Scottish herbs are hand picked from our Walled Garden and carefully blended and distilled to tease out the botanicals.

This small batch gin is crisp, elegant and refreshing with a lovely clean palate. Subtle notes of lavender linger in the back of the nose and within the mouth allowing garden mint to come into focus, helping promote the clean and refreshing character.

Serve over ice with fresh lemon, lime, mint and premium tonic...

PLUM GIN LIQUEUR

This sophisticated gin liqueur has been crafted using our very own variety of Gordon Castle plums grown amongst the 259 historic espaliered trees lining the garden walls.

Serve neat on ice or over hot apple crumble

RASPBERRY GIN LIQUEUR

Rich in flavour from our Walled Garden raspberries, this is one of our most popular gin liqueurs. Perfectly sweet and gently ripened by the Scottish sun.

Best served neat on ice or with procco
