Facial Detox Purifying Recovery Mask

The Facial Detox Mask is the best way to detoxify your skin professionally at home. Treats stubborn blackheads. Helps balance your skin's pH level for a perfect complexion. Skin becomes visibly healthier, feels energised and looks plumper. Cleanses and refines the pores. Works AMAZING against acne. Brightens and smoothes the skin.

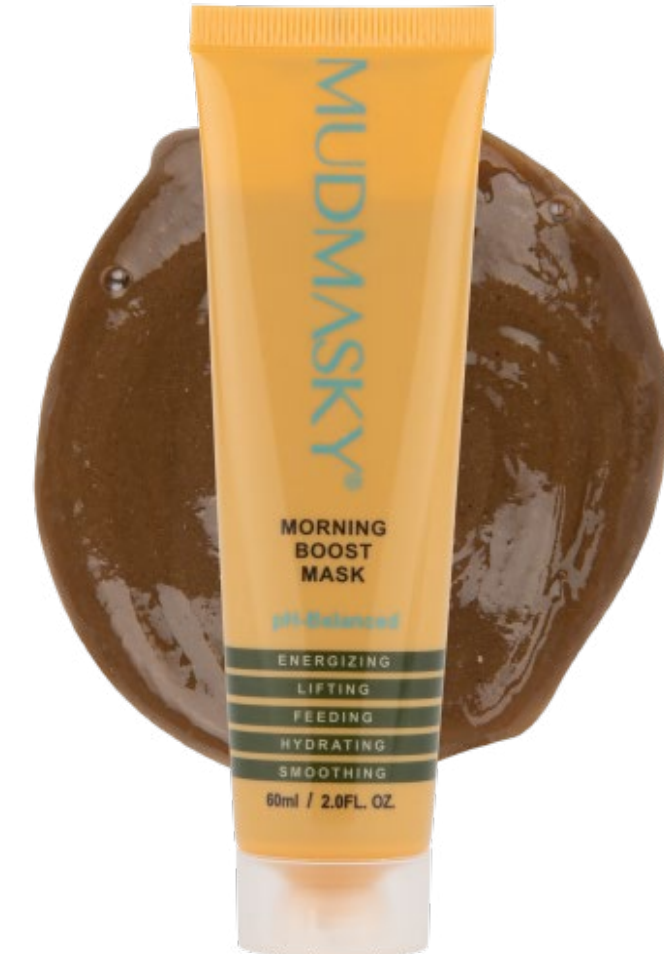

Vitamin-A Booster Blue Clay Mask

This fragrance-free clay mask contains a blend of flowers, fruits and grade 1 clay. The clay used is considered the purest and highest quality available on earth. As a natural alternative to retinol, we have used bakuchiol, which is suitable for even the most sensitive skin. It refines and tightens the pores and provides your skin with a high dose of natural vitamin A. Your skin will look visibly smoother after just one application. Toning mask for super sensitive skin. Alternative to retinol (bakuchiol). Absorbs dirt and tightens the skin.

Pearl Polish Super Glow Pink Clay Mask

This fragrance-free pink clay mask is designed for men and women with sensitive skin. The white vegetable oil beads buff away dead skin cells, while the gentle Australian pink clay draws toxins from the skin. It helps to improve skin elasticity and cell renewal. Your skin will feel soft and supple with a natural glow. Bursting pearls for a SUPERGLOW. Australian Clay Grade 1 eliminates acne. Improves cell renewal

Morning Boost Mask

The Morning Boost Mask energises your skin in the morning and gives it a fresh appearance. It moisturises and smoothes the skin while providing it with the vitamins it needs. Works in just 1 minute. Your skin feels super energised and looks healthier throughout the day. Prevents and treats existing pimples and blackheads. Eliminates early pimples. Skin looks visibly more vital. Moisturises and smoothes the skin.

Sleep Repair Renewal Nourishing Mask

Hydrate, repair and protect your skin at night with the Sleep Repair Renewal Nourishing Mask. Your skin will look and feel visibly "less tired" and smooth in the morning. Packed with active ingredients that get the job done while you sleep.

Serum-Infused Eye Mask

This serum-enriched eye mask is specially formulated for the thin and delicate skin under your eyes. It contains high levels of natural antioxidants. Fragrance free. Super high in natural antioxidants. Improves elasticity under the eyes. Visibly less dark spots under the eyes (7 applications).

Aftermask Vitamin Serum

Provides your skin with natural vitamins from the sea. Keeps skin hydrated after a mud/clay mask, exfoliating mask or other face mask without clogging pores. Protects your skin from external (environmental) factors when your skin is at its most sensitive. Free from perfume. Nourishes and hydrates the skin after a mud mask. Softens the skin with vitamins from the sea. Also recommended after cleansing.

Vitamin-infused Eye Serum

Vitamin Infused Eye Serum contains a blend of natural vitamin C. Vitamin C is an essential ingredient for firming the skin. It has a refreshing effect and a strong antioxidant action. This serum is ideal for all skin types and is considered a superfood for your skin. Extremely high vitamin C content. Reduces dark circles under the eyes. Significantly softens the skin under the eyes.

Leave-me-on Autumn Mask

The brand new Leave-me-on Autumn Mask is an oil-free, ultra-soothing gel-based formula designed specifically for the autumn season. Rebalances and hydrates your skin after a hot summer. Reduces sun spots to a minimum after 2 to 3 weeks of daily use. Without the use of known bleaching chemicals such as hydroquinone. Fragrance free.

Leave-me-on Spring Mask

This leave-on mask is specially formulated to help your skin transition from winter to spring. This lightweight formula prepares your skin for spring. Your skin will adapt more easily and you will have fewer breakouts during the spring season. It gets exactly the amount of moisture it needs during the blooming season.

Leave-me-on Summer Mask

This is an extreme lightweight SPF-15 allergen-free formula. Made with 5 nourishing flowers. Moisturizes, without making your skin oily. Your skin will adapt easier to the summer. It protects and shields your skin (like a mask) against both UVA and UVB radiation. It does not contain synthetic infamous chemical UV-Filters and/or polymers which are used in 99% of sunscreens distributed worldwide.

Leave-me-on Winter Mask

The Leave-Me-ON Winter Mask proactively protects you from the cold, dry winter air. This super moisturiser repairs and nourishes the skin in winter. Moisturising ingredients are locked into dry/cracked/flaky skin, while the invisible layer protects skin from the dry and cold winter weather. *Since the 2020 pandemic, it is also recommended and used by thousands of doctors worldwide. Doctors and medical staff use this super nourishing leave-on mask under their surgical mask to prevent scars, rashes and acne, better known as "maskne".

Melting Mud Cleansing Mask

Washes bacteria away quickly, gently to your skin. This non-irritating, fragrance-free morning cleanser is specially formulated to cleanse your skin without stripping its natural protective layer. With a blend of Moroccan lava clay, natural fruit extracts and non-irritating botanicals, it helps to maintain and replenish the skin's natural moisture balance. Replaces your morning cleanser. Washes bacteria away quickly. Soft skin during the entire day.

Mineral-Infused Double Cleansing Mask

Replaces your night cleanser, prevents dirt buildup during night. This non-foaming, fragrance-free cleansing mask is enriched with rich minerals to detoxify and thoroughly cleanse your face before bed. 80% of women wash their face incorrectly. Especially in the evening. When the pH of the skin becomes unbalanced, i.e. more acidic or more alkaline, the skin is more susceptible to damage.

Root Feeding Hair Mask - pro-vitamin b5

Helps you fighting with hair loss, limits dandruff to a minimum. 28% less hair loss when brushing hair* This fragrance-free hair mask contains pro-vitamin B5, flowers and premium Moroccan lava clay. It nourishes hair follicles and seals in moisture with Moroccan argan oil. After just 1 use, your hair will feel softer and easier to brush. Up to 81% less dandruff after 3 applications. Suitable for all hair types and especially dry and damaged hair (heat, colouring, bleaching). Free from harmful chemicals such as parabens, sulphates and 722 other blacklisted ingredients! *Average of 28%.

Hair Mask Scalp Treatment & Miracle Shampoo

Decreases frizzy hair while softening, feeds and protects. Makes your hair healthy by getting to the root - the skin on your scalp. This unique hair mask, scalp treatment and Miracle Shampoo restores the skin on your scalp to health. Repairs and strengthens hair while moisturising the skin on your scalp. Fights dandruff from the root and works against an itchy scalp. Suitable for all hair types that need special care and attention, and especially for damaged hair after chemical treatment (dyeing, bleaching and perming).

Saved by the Scrub for Underarms

Neutralizes odor, soften your skin and deep cleanses dirt buildup.

This 100% vegan underarm scrub contains only 5 natural ingredients! It keeps your underarms fresh for up to 16 hours.

Premium kaolin clay draws the bacteria - that cause the odour - out of your underarms.

Recycled coffee powder neutralises the odour. You will never use (chemical) soap again!

Mineral-Infused Dead Sea Salt

Mineral Enriched Dead Sea Salt is enriched with minerals from the Dead Sea in Jordan, which contains up to 10 times more minerals than regular sea salt.

These minerals help restore health to the body, skin and muscles. Inflammation, redness, rough skin and discomfort are relieved by the salt. Immersing the body in a lukewarm water bath filled with Dead Sea salt helps reduce redness. Dead Sea salt can be used for the body, bath and scalp. It can help against eczema and psoriasis.
