

TAGPOINT.

sales@tagpoint.co.uk

Easy-to-use system for hotels

Enables hotel managers to:

- ✓ Boost revenue through upselling of available hotel services
- ✓ Enhance hotel competitiveness and guest satisfaction
- ✓ Lower maintenance expenses and maintain hotel condition
- ✓ Improve service by incorporating guest feedback

Make guests fall in love with your hotel

For Front Office

Minimise request resolution time, make perfect guest relations with mobile chat and coordinate teams.

For Housekeeping

Achieve great service level with pre-built checklists and push notifications to meet deadlines.

For Maintenance

Maintain hotel standards and records through scheduled PPM maintenance and daily task tracking.

TAGPOINT.CO.UK
