

Forevermore, 2022

Dorothy Fagan Fine Art is delighted to be partnering up in 2023 with Hotel Supplier. Fagan specializes in large statement pieces, perfect for lobbies, hotel rooms or spas. A Joyful Expressionist, her colorful artworks are inspired by her chakra-aligned color palette, bringing ongoing energy and flow to the surface of each painting.

Forevermore is a heavily textured oil paint applied with palette knife, feels alive and energizing. Earth colors ground the viewer, while blues and lavenders uplift the spirit. This diptych would be perfect for an active space where it can be viewed from a distance AND ALSO up close. Stepping back allows viewers to mix colors in the mind's eye.

Gathering Up the Goddess, 2023

Gathering Up the Goddess is a perfect piece for vitalizing your work environment. It's blue tones merge your guests into an abyss of peacefulness. Fagan's abstract works will be the perfect combination with any contemporary furniture.
