

Is what you were looking for.

The Swiss rigour and the Italian artisanship give life to wall hangers of innovative functionality and of striking beauty. The certified solid ash wood and the 24k gold add quality and extreme refinement.

This idea came to a man who wasn't satisfied with banality when it comes to his bedroom...

All our products are manufactured in Italy

Majordomo produces different models of wall and travel hangers, with their own design and functionality.
Every product can be completely personalized in colours and finishing.
The engraving of either brand logo or initials will make unique a classy object.

RIALTO

Wall hangers

Just like the famous Rialto bridge on the Grand Canal in Venice, these wall hangers stand out for their elegant design, harmonious proportions and refined details.

With their variety of colours, the hangers can easily be put in every type of furnishings; the shades' combination is the creative expression of the most noble moods.

The Rialto wall hangers can be placed in the hall, to immediately seize your guests' eyes, or in the bedroom, as a support for the clothes. If put in the bathroom, they hang clothes, towels and bathrobes.

CASANOVA

Two hangers and a trousers hanger

Majordomo, like a maitre, becomes a restrained yet indispensable presence. The Casanova set offers elegance and comfort in every room of the house at any time of the day.

Along with the functionality of the wall hanger there is the trousers hanger which, thanks to his particular closure, can be used to hang trousers and skirts.

By day and by night, in public and in private, Casanova takes on different personalities. And it is always perfect.

POLO

Travel hangers with perfect design
It follows you wherever you go

A classy traveller always needs to have accessories that measure up with his destinations.

In this Majordomo's line, the careful choice of the materials matches with the functionality of the moving parts, which allow the hanger to be closed.

Put in the luggage, Polo finds its place among the clothes.

Placed inside a walk-in closet, it becomes a perfect space-saving solution. Found in the wardrobe, it is a pleasant surprise for your guest.

Some peculiar travel hangers are made with cedar wood, a variety of wood that is highly valued for its gradually released aroma: the clothes and the wardrobe will be permeated by a pleasant freshness.
