

EUROCAVE 

Sparkling symbol of the French way of life,
the champagne cabinet is exclusively dedicated
to fine bubbles.

 
French Manufacturing

Dedicated to displaying champagne.

An elegant new way of selling champagne and fine sparkling wines.

In a tasting cellar, at a wine merchant's, in duty free or in a club, revisit the display and service of your champagnes.

The shelves have been designed to store all shapes of champagne bottles and make your sparkling wines stand-out.

Final details: leather cladding and light effects.

- A perfect tasting temperature with a single-temperature cabinet adjustable from 5° to 12°C.

- Shelves for classic bottle (75cl) and magnum

- 5-year warranty
