

# Commercial grade outdoor furniture

Discover our collections

*South*  *Shore*  
FURNITURE

Discover our commercial-quality garden furniture collections ideal for enhancing outdoor spaces.

The furniture in these collections was designed to meet the specific needs of individuals and businesses, particularly by withstanding sustained commercial use.

Beyond their trendy look, these pieces of furniture are entirely designed in Canada using unique, easy-to-maintain materials.

Resistant to various weather conditions such as rain, sun and wind, each piece of furniture is covered by a commercial warranty up to 5 years.

Easy to clean

Up to 5-year commercial warranty

## Durability at its finest

Each piece of furniture is designed to last for many years in a variety of conditions ranging from prolonged exposure to the sun to high winds.

## Guaranteed peace of mind

Designed in Canada by a dedicated team, our commercial grade furniture is made to last through repeated use. The warranty protects the parts and components of each item against defects to give you true peace of mind.

## DALYA Collection

The Dalya collection stands out for its harmony and versatility. The various items in this collection, made of marine grade polyethylene, available in a range of colors, coordinate perfectly with one another. Each element is designed to create a welcoming, aesthetically pleasing outdoor space, offering a unique experience of conviviality and comfort.

Dalya:  
**The Art of  
Outdoor Living**

Our Dalya collection is full of Scandinavian outdoor furniture that will last over time, so the sun can shine on terraces, balconies and by the pool all season. A great way to make the most out of summer!

A collection  
**with brilliant  
features**

The Dalya line features a wide selection of outdoor furniture, including a few luminous items that will make any decor more welcoming.

The various cuts, colors and uses of the furniture are easy to mix and match and allow the design of relaxing and inviting spaces.

# CHAIRS

Dalya chairs are known for their high resistance and easy maintenance. Made of polyethylene, these commercial grade chairs are suitable for both indoor and outdoor use. They can be installed in rest areas, waiting rooms, or on patios.
