Sofa Bed - Queen

The Queen-sized KOTA sofa bed is now available in a 160x200 cm bed mode and 160x100cm as a sofa. The seat height is 42cm. This compact design fits well in most guest rooms with limited space.

Sofa Bed - Daybed

Those who enjoy the daybed feature can skip buying the king-size sofa bed and opt for just the daybed version, which provides a 180x200cm bed size. As a sofa, its dimensions are 200x90cm with a seat height of 42cm.

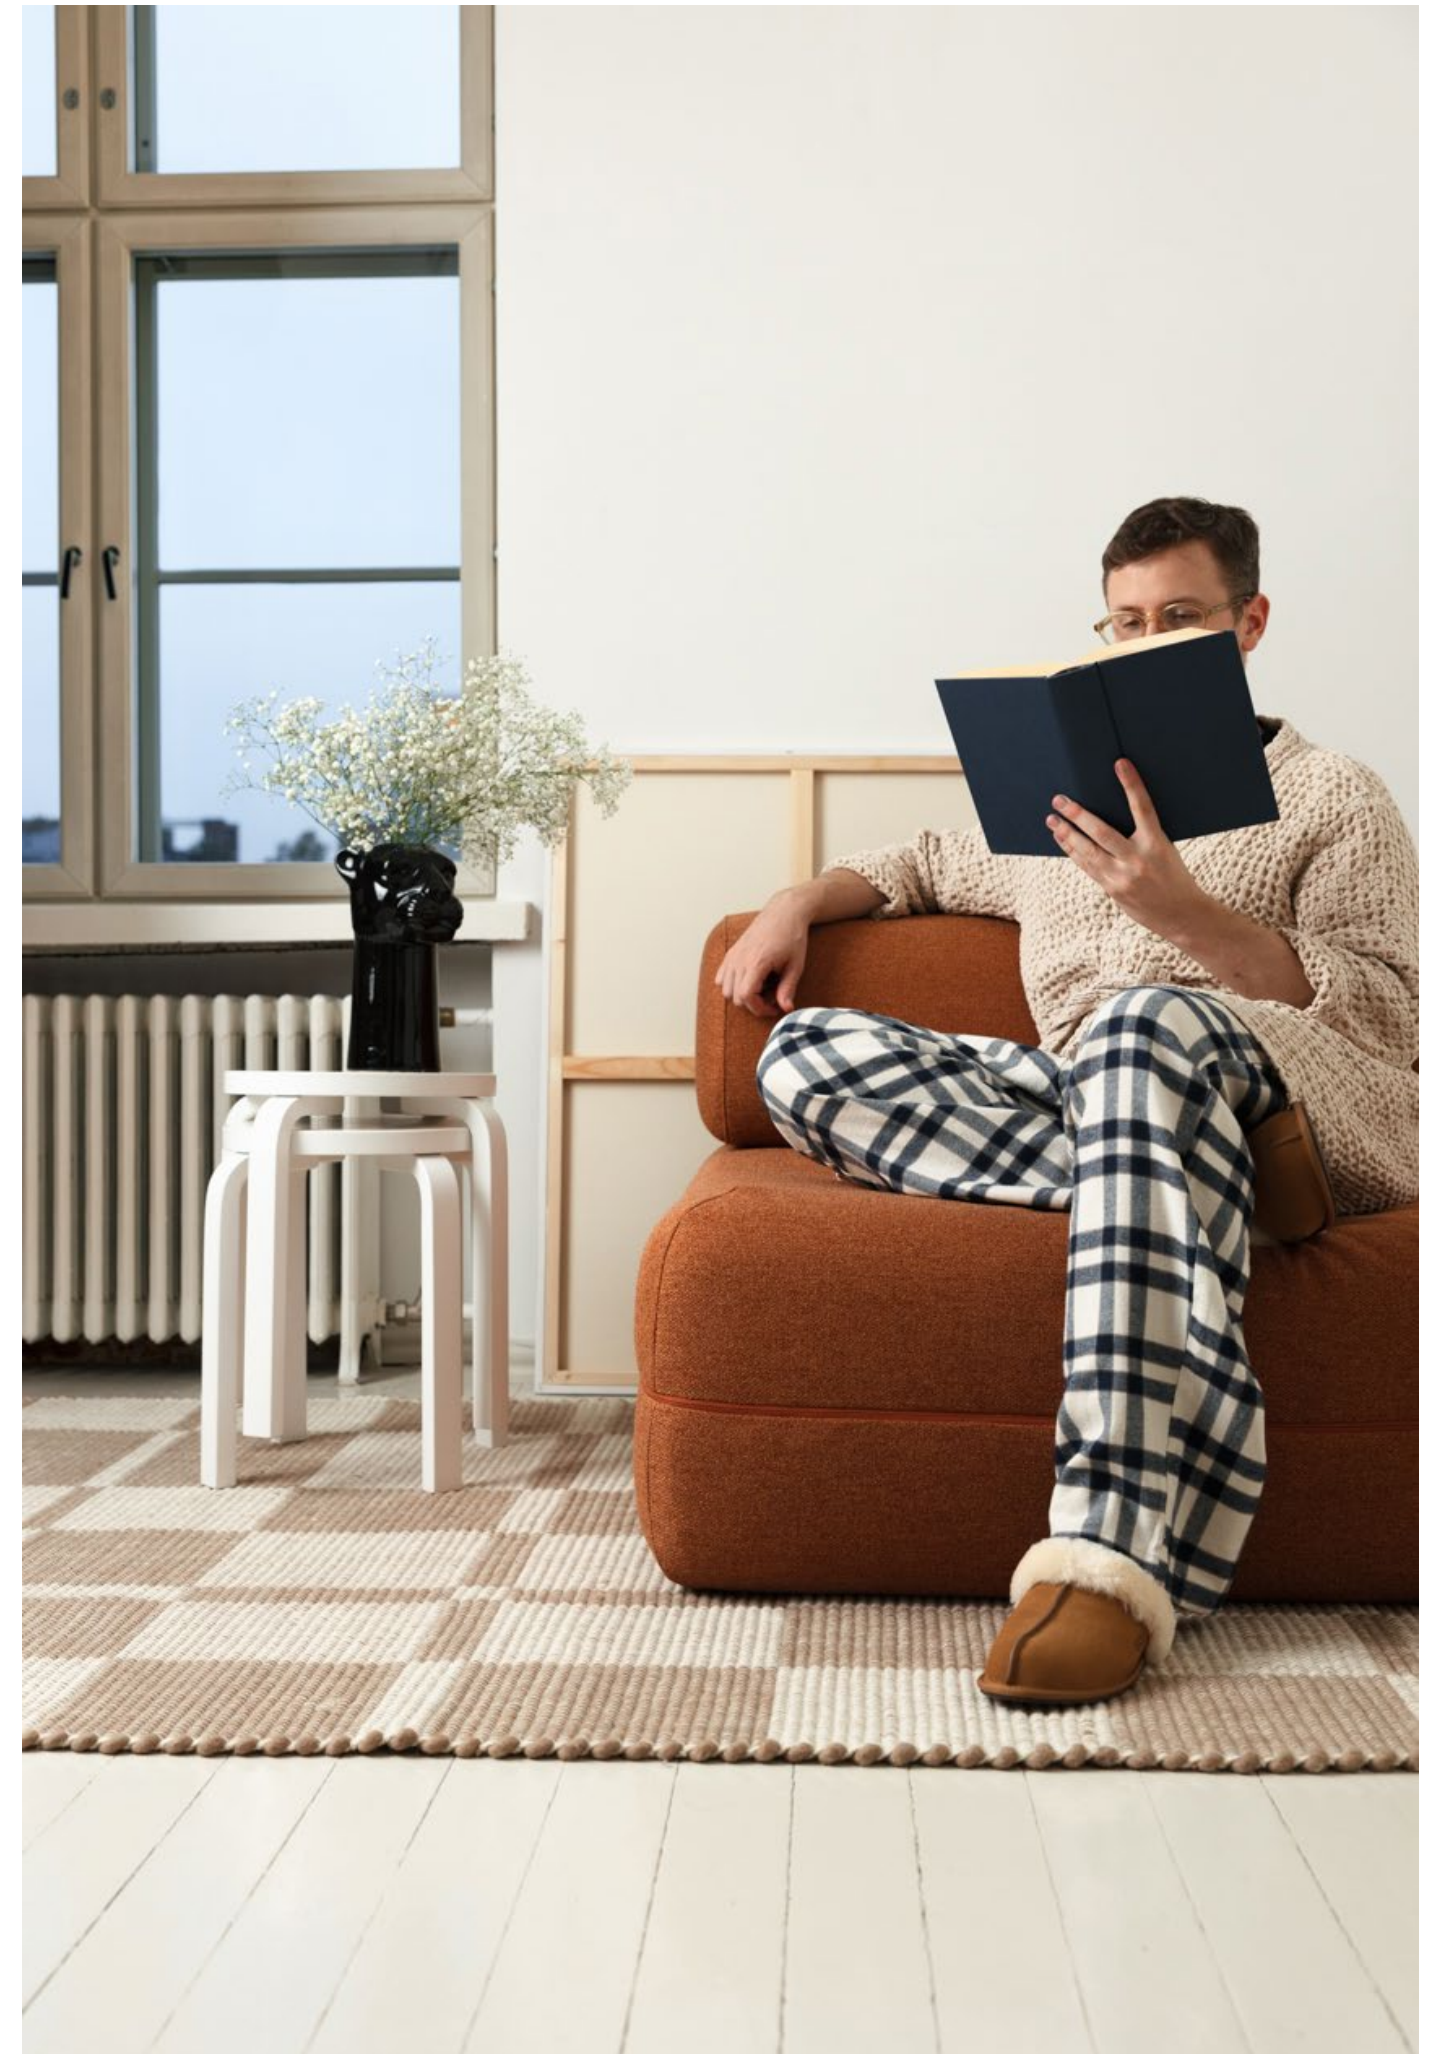

Sofa Bed - Single

The KOTA Single and Pouf sofa bed is a great companion next to a large KOTA sofa or as a standalone chair. When opened to a bed, it measures 100x200 cm, and as a chair, it is 100x100cm.

Sofa Bed - Pouf

With or Without Frame

Our sofa bed is made of high-quality foam and it has no internal frame, therefore you need to place it against the wall when you use it.

However, you have the option to purchase the sofa bed with a pair of external frames, providing you with the flexibility to position it anywhere in the room.
